“ Dear Elaine and Family, I am very sorry for your loss.

Don and Lorraine will be deeply missed by their community and I will miss my chats with Don.

I only hope that you can find solace in the knowledge that they both lived long and full lives.

“ To Don's sister, Elaine, and to their nieces and nephews: We are devastated and beyond sad. Our thoughts and prayers are with all of you and with Don and Lorraine. We met them in 1990 when we were looking to build a house. Don built our home, used it as a model for a year and during that time we became friends. We played pinochle on many a Saturday night, traveled to Las Vegas together, enjoyed dinners out, going to the Barn Theater, and spent Thanksgivings and birthdays together. We moved from Florida 5 years ago, but remained in touch. They were good people, good friends, and we will miss them terribly. May you all find comfort in wonderful memories. Jan and Kevin Litke

“ Norman and Cynthia Bareis purchased the Medium Dish Garden for the family of Donald and Lorraine Smith.

“ They built our very custom home in 1996 very near their home and we were good neighbors and friends. We are deeply saddened. Holly and Dennis Tonniges

“ Don and Lorraine were very good friends as well as neighbors. We shared fun times with them, going out to dinner, sitting with them at the HPPC clubhouse, and having picnics at our house. We will miss them dearly. Rich and Sue Marino
