“ Dear Jeffrey, I have good and funny memories of you. I enjoyed the times we had coffee and watching you play with Little Champ and Sunshine. You played funny jokes on me, but you made me laugh. I look out my kitchen window and see you cleaning up the yard and cutting the grass. Memories I will never forget. RIP Jeffrey.

“ I remember Jeffrey when he was very young and I used to babysit him! I remember his soft skin and his freckled face smile. I loved his charm! He is now "Safely Home" - and will live on forever in the hearts and memories of all those who loved him.

“ Wow. I just can't believe this. My first memory of you was in the yard at your house on the pike you taught me to catch a football. I think I was 7 or 8. Rest easy Jeff. Prayers of comfort to the family.

“ DEAR JEFFERY, REST IN PEACE NEPHEW, I will never forget when I used to come to your house when you were little and pick you up and take you fishing and crabbing, and let you drive my Silverado. When we both lived in Georgia, we had so many great memories with your Mom and my sister Patty, Bobby, Nicole and Johnny N. and your boys just hanging out like a crazy family. You will be sadly missed and never forgotten, Love your Uncle SKEETER (Robert Ford)

“ Dear Jeff Jr, Cody & Nathan, Your Dad will always be by your side, in your hearts and in your dreams. Carry on his legacy with pride and dignity - he was an amazing Dad who loved you boys with all his heart. You were always on his mind. Even though you are grown and on your own, he still worried because that's what Dad's do. Be proud he was your Dad, be thankful for the time you had with him and remember the values he taught you. He will be sadly missed. Love you all

“ My dearest Jeffrey, I have watched you grow from a baby to a grown man. You raised your boys with love and responsibility and taught them the meaning of hard work and family commitment.
