“ I am so sad to see of the passing of this wonderful man. I would often stop before leaving the office for the night and chat with him a bit. He loved driving around the bay on his jetski. The only positive is that he is now with his wife who he adored and would often say how much he missed her. May he rest in eternal peace. My deepest sympathy to the family and friends

“ John was the last person I would see every night when I left NJM. Always a gentleman, he would jump up when he saw me and rush to open the door. We always stood in the doorway and had a few moments of pleasant conversation. I will always remember his kindness, his sweet personality and his smile. Rest In Peace John..your friend Joan

“ I remember when I was a police officer for Mullica Township and John was a special officer. He often rode with me and we shared many hours together. John was a good friend who was respected by many. He is sadly missed.
