

John L Rudisill

April 4, 2020

It is with great sadness the family announces the peaceful passing of John L Rudisill on Saturday, April 4, 2020 at the age of 89. John was an established accountant with a 40 year local business. Anyone who knew John knows that this was his passion. He always said you'll never work a day in your life if you love what you do, and he loved what he did. John married the love of his life Georgia or as he called her "My Angel" on May 25, 1968. They spent their honeymoon in Williamsburg Virginia and over the years became Associate members of the Colonial Williamsburg Foundation.

They were blessed with two children Chrissy, her husband, Barry Saul and their children, Corbin and Georgia. Annie and her husband, David Maxwell along with their 3 children, Madison, Mason and Ella.

John was the oldest of 4 brothers and is survived by brother, Anthony J Rudisill (Maryanne) and many nieces and nephews. A special mention to his godson and nephew Frank Rudisill you forever had a special place in his heart. Also to our extended family, Jeff and Linda Rudisill and children in Buford Georgia.

You were ours so gracious and kind, loving and giving. An honest man. All you ever cared about was your family, your love for us was endless nothing else ever mattered, making us happy is all you ever wanted. You asked for nothing but we gave you our all!!!

You had a smile that no one could resist, it was contagious and everyone would say "oh that smile". Then there are those eyes, the twinkle, the twinkle that could tell a thousand stories.

To say that you will be missed is an understatement our lives will move forward and our memories will keep us smiling. Our love for you will never end. Until this love story begins again.

“Our Family at Computer House of South Jersey want to express our deepest condolences to the Rudisill Family and everyone at his office, at this hard time. We have worked with John and everyone at his office, since the late 90's and his will be very missed. Whenever I would see John and ask him how he was doing, he was response was always the same: "Scott, if I was doing any better, I'd be twins" Always made me smile. It was an honor to have known him.

“So sorry for the loss of your loved one, Georgia. My husband and I were the lucky ones to have know John and his beautiful family. Not only were we neighbors but our children went to school with their children and we spent a lot of holiday parties together. Great memories . John always was with a smile on his face. John always had a phrase of wisdom to tell you.

I will never forget the years we spent together on Christmas day right around 2pm at the Rudisills' for our drinks, appetizers and exchanging our Christmas gifts.

A quite man and very caring, John loved his family.

My deepest condolences to his girls and their families.

He will be sadly missed. Until we meet again.

“ He called me Sister Anne and he was the kindest man I ever knew. His words were few but he was the kind of guy that didn't need words to convey how he felt, It was all in his smile and in his eyes. I will miss him greatly.

“ Buzz Nichols, aka Capt. Buzz: I was home from Vietnam 7 mos. as a young Marine Sgt. when I attended Georgia and John's wedding. I was honored to be part of her wedding party. I asked Georgia if it would be alright if I wore my Marine Dress Blue uniform instead of a tux. She said John would insist on it, in appreciation for my 20 months of service in Vietnam.

I have to say as Georgia's younger brother I was highly suspicious of this John fella who was 11 or 12 years older than my big sister, and who already had a family, albeit grown and on their own. I had a difficult time getting past these issues which I have kept to myself until revealing them as I write to share my memories.

However, it wasn't long before I learned what everyone else that knew John already knew. I learned that John was an up standing guy, who loved my big sister and provided her the happiness she wished for. Turns out Georgia lives her dream of happiness even with John's passing because she will always be his angel. I am, and always will be proud to be John's brother-in-law because of the happiness he provided my big sister.
