“ Lori was a beloved Sister in our Secular Franciscan Fraternity for more than 25 years , serving on Council as Treasurer for 23 years. We loved her quick wit and enthusiasm for life. She was a vital part in the merger of our three fraternities in 2012 and was considered a leader , mover and shaker in our fraternity life. She will be sorely missed. We want to thank the family for sharing her with us . God bless you all for your loving care of her this past year. Kathleen Agosto,OFS on behalf of Divine Mercy Fraternity

“ To the family of Lori Taranto...a dear friend.  
I knew Lori from our time at the Taj Mahal. Our shared interest in reading, the theater, and travel bonded us from when we first met during our breaks at work. We never went abroad together; but we went to New York on bus trips many times for group dinners and Broadway shows. We always had a great time on those occasions. We also shared some excellent meals at "Steak 38" in Brigantine. We had a mutual admiration and some great laughs.  
Your Lori was such a sweet, upbeat, and kind person. I will always remember her for never forgetting to call me before all the Jewish Holy Days to wish me well and inevitably end her call with a salutation of "Shalom". I know she was a devout Catholic and that her devotion to the Church and her family came above all else. You were all so lucky to have this wonderful mother, grandmother, great-grandmother, etc. in your lives.  
May the memories of all your happy times together be a blessing to your family. You have my heartfelt condolences during this time of grieving.  
Sincerely,  
Susan Schoen
