“ Sorry I couldn't make the funeral, I was very busy. Aunt Marie was the greatest. She really helped to make a part of my child hood alot of fun. Weather me elkin and the crew would want to have a sleep over or just wanted some where to hangout, Aunt Marie was always there for us. She gave us a place to hangout on the boring days and a place we could play football in the yard. She loved our company as we enjoyed hers and always had Gophstoppers and Celtzer water to offer us almost everytime we saw her. I only wish that i didnt go so long without seeing her before she passed and I am going to miss her very much. My Condolences are with everyone that knew Aunt Marie and lost a great person. Love, Tom Hehre
