“ I met Marise in March 2020 - Covid brought us together when I found out that she needed help getting groceries and other items to her home, but she could not get through to any stores to deliver. I live 2 blocks from Marise, so when I knocked on her door with groceries, as soon as the door was opened, there was a bond. Marise became my mother, my grandmother, my sister, my best friend, all in one. I would see her 3-4 times a week, and every time I arrived at her house I felt such happiness since she always had a kind word to say. She listened to me, gave me advice and we laughed a lot together. I will miss her every single day. I Thank God that He brought her into my life. Rest in Peace Marise, with your husband who we talked about so often, and I know that you are dancing in Heaven and looking after me. I love you.
