“ I have always had great affection for the entire Mallimaci Family. My cousin Donna and her family lived next door to the Mallimaci's for many years. We enjoyed their sense of deep family love and bond, the laughter of the 'Mallimaci boys, and Lia's generous invitations (which we happily accepted) of some of the greatest home cooked Italian food we ever enjoyed! We have missed Bessie and 'Uncle Nick for many years now. Our love for 'mom', Rosalia, we affectionately call "Lia" has no bounds. As with all of us, as time went by, we didn't get a chance to see Lia and the guys as much as we would have liked. But the love in our hearts never diminished. Words are very inadequate at a time of so much pain and loss, it is often incomprehensible and received in disbelief and sadness. On behalf of Donna Ritzel and her entire family, and myself, Frank Borino, Lia, you and all the Mallimaci's are all in our hearts and we send our deepest love and eternal sympathy. With the knowledge that we will all be united someday in this short life, we do our best to carry on and to keep them close in thoughts and words. With our love, Frank and Donna, and family. “ I am so sorry to hear this about Mike, sending healing hugs & prayers to his family & friends.

Mike & his family lived behind my house in E.H.T. for years. I hate seeing so many kids die young..
