“ To the Puglise family and friends my deepest sympathy on Miickey's passing. I worked with Mickey many years ago at Harrah's in the pastry dept. We became close friends. Even though I haven't talk to him in years I often think and reminisce of the good times back then. I still tell stories of his hunting,racing and bakery days. Mickey influence me to start my own bakery. Rest in peace my old friend. Jimbo
