“ I've known Sue for a long time. Through thick and thin. But one thing stands out she was a great mother to DJ and Jason. Wonderful wife to Kevin. And a loving grandmother and daughter. She will be missed by all that knew and loved her. Fly home with the Angels now Sue. Rest with no more pain.

“ Aunt Susie, you will always be in our thoughts & prayers. When we saw you the last time, never in a million years did we think it would've been the last. You were always such an independent woman who devoted her life to taking care of others. The lights of her life were her two sons, Kevin, her grandchildren and parents. Aunt Susie, you have always been an inspiring example to all of us on how to love unconditionally. You'll always be in our thoughts & prayers- with all our love, Michael & Dee Kraus.

“ Sue was a amazing Daughter, Mother, Wife, and Memom. She was always there to listen, help and love you unconditionally. She was my friend and the person I could count on to be there when I needed her most. I will miss her smile and laugh but most of all I will miss the love she always shared with all of us.  
To all of her family, I just want to express how sorry I am Sue has passed but I hope you find some comfort that her suffering is over. She fought so long and hard to stay with you all.  
I will miss her!
